TZ-40	40 ft x 22.5 ft	up to 1500	\$2900*

*Prices above do not include travel costs or film licensing

- Add round-trip travel cost of \$1.25 per mile from nearest TZ office
- Average cost of film licensing from third party vendor - \$350
- Lodging fees apply to locations more than 120 miles away
- Additional costs may apply to non-grass venues

FM Transmission Audio service is available for drive-in movie events.

First come – First served reservation policy
50% deposit required at the time of reservation

Twilight Zone Outdoor Cinema carries complete event insurance. You may request to be additionally insured under our policy at your event.

Our *Weather Guarantee* applies to events in which less than 50% of the movie was shown due to bad weather.

Tip – Many of our customers are able to offset the costs of outdoor movie events by selling event sponsorships to local businesses. Sponsors get exposure through print ads, on-site signage and pre-movie commercials. Other ways to offset costs are renting space to food vendors or selling glow products. Groups that choose to charge viewers for admission to movie events may be subject to additional fees from the film licensing company.

For more information on film licensing visit these web sites:
